

Great tasting water in a convenient package...

Introducing the no refill deposit, recyclable, four-gallon bottle with the great, refreshing taste of spring water.

Benefits for you:

- Expanding niche market with huge growth potential
- New product with little or no competition
- Repeat business with no back-traffic
- Environmentally friendly-made from recycled content and 100% recyclable
- Clean, newly manufactured bottle uses less PET than one case of 24 oz. individual serve bottles

FITS ALL STANDARD DISPENSERS!

Bottles are shrink-wrapped and shipped on a standard grocery pallet.
